

## BAPTISMAL CERTIFICATE

### REMINDER

Dear Parents,

If you have a new student with us for Faith Formation 2007-2008 we will need a **copy of your child's Baptismal Certificate**. The church and diocese require one to be on file for all children preparing for sacraments. If your child was baptized at Sacred Heart Church then just call the office and let us know, we will have it on file already.

For those parents who have children returning to Faith Formation and have not turned in a copy of your child's Baptismal Certificate this is the time to do so. If you are not sure if you did already, just call the office and we can check for you.

Thank you.

Blessings,

Karen Vidler
